SCOPE

This policy applies to:

2. Students' personal mobile phones, smart watches and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. This includes smartwatches and tablets used for calls and messages.

POLICY

Chelsea Primary School understands that students may bring a personal mobile phone (or devices) to school, particularly if they are travelling independently to and from school.

At Chelsea Primary School:

- Students who choose to bring mobile phones (or devices) to school must have them switched off and securely stored during school hours. Smart watches must be switched off throughout the day.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Chelsea Primary School during school hours, including lunchtime and recess, unless an exception has been granted. Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones (or devices) owned by students at Chelsea Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Chelsea Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/caregivers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#)

Where students bring a mobile phone to school, Chelsea Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Chelsea Primary School, the principal is responsible for determining the appropriate arrangements for secure storage.

Examples of secure storage
