

CSEF Payments Distribution 2023

10th November 2022

Schools are accountable for ensuring the CSEF payment is allocated towards camps, sports, or excursion expenses for the eligible child.

Excursions/Incursions and sport form part of Chelsea Primary Schools Curriculum Contributions and is an important part of our curriculum.

At the School Council meeting on 18/10/2022 the allocation of the CSEF for 2023 was discussed.

The distribution of CSEF 2023 was approved by School Council as follows.

1. Excursions/Incursions – F to Year 6 (\$65)
2. Sports – Year 5-6 – (\$60)
3. Swimming – Whole School (TBA)
4. Camps – Year 3-6 (TBA)

The amount of the CSEF is \$125 per eligible child.

This amount will be used for each eligible individual student for Camps, Sports and Excursions/Incursions only unless otherwise directed by The Department of Education.

Any remaining balance will be carried forward into the new school year as a credit towards the eligible student account. It cannot be shared between family members.

If you have any questions, please come and see me at the School Office.
